Letter of Appreciation

Subject: Appreciation for Delivering the Expert Talk under the Lecture Series on Artificial Intelligence for Industrial Engineers, MIT, Manipal, India

Dear Mr. Gupta,

On behalf of the Department of Mechanical & Industrial Engineering, Manipal Institute of Technology, Manipal Academy of Higher Education (MAHE), we extend our sincere gratitude and appreciation for delivering the expert lecture on **"Talk 4: From ERP to Autonomous Enterprise: How Artificial Intelligence is Redefining Business"** on **02 August 2025**, from **11:00 AM to 12:00 PM IST**, as part of our **Lecture Series on Artificial Intelligence for Industrial Engineers**, conducted under the department's academic curriculum.

Your insightful presentation provided our students with a comprehensive understanding of the evolution of *Enterprise Resource Planning (ERP) systems toward Autonomous Enterprises driven by Artificial Intelligence*. The session effectively highlighted the transformative role of AI in modern business operations, intelligent decision-making, automation, and the future of enterprise ecosystems. Your practical insights, industry perspectives, and engaging interaction greatly enriched the learning experience of our students and faculty members.

We deeply appreciate the time, expertise, and enthusiasm you dedicated to sharing your knowledge with our academic community. Your valuable contribution has inspired our students to explore emerging opportunities at the intersection of Artificial Intelligence, business transformation, and industrial engineering.

With sincere appreciation and best wishes.

Yours sincerely,

Nithesh Naik
